## Dear Chamber Members,

As we step into April, I continue to be energized by the momentum and collaboration happening throughout our Chamber and the greater Irish Hills community. It's truly inspiring to see how our members continue to show up, support one another, and strengthen our region together.

One special opportunity this month is our Better Together Community Awards on April 16 at the White Birch Wedding Barn. This is a meaningful evening where we come together to celebrate and honor the outstanding individuals, businesses, and organizations that make our community shine. I encourage you to join us in recognizing your fellow members and the impact they make every day.

We also have several exciting opportunities for you to get involved and promote your business:

- We are currently accepting advertisements and articles for our widely read publication, the Irish Hills Resorter. This is a fantastic way to share your story and connect with both residents and visitors.
- A limited number of booths are still available for the Aging Well Expo on May 16. This is an excellent opportunity to engage with our community and showcase your services.
- We are actively seeking teams and sponsorships for our inaugural Irish Hills Clay Classic on May 29. This promises to be a fun and memorable event, and a great way to gain visibility.
- Looking ahead, we also have a Coffee & Connections sponsorship available for November. If you're interested in hosting or sponsoring, now is a great time to secure your spot.

As always, our goal is to create opportunities that help your business grow while strengthening connections across our membership. If any of these opportunities interest you, or if you have ideas for how we can better serve you, please don't hesitate to reach out.

Thank you for your continued support and engagement—we truly are better together.  
Happy Spring!

*Cindy*
