Dear Chamber Members,

As we head into May, there's a renewed energy across the Irish Hills with longer days, warmer weather, and a season full of opportunities to connect, grow, and celebrate together.

We're excited to highlight several upcoming events that showcase the strength of our Chamber community.

Our Aging Well Expo on May 16 is a meaningful way to engage and serve our community, connecting residents with valuable resources and services. There's still limited booth space available if you'd like to participate.

We're also looking forward to our inaugural Irish Hills Clay Classic on May 29. It's shaping up to be a great day of networking, friendly competition, and outdoor fun. Team spots and sponsorship opportunities are still available.

Planning is also underway for our popular Irish Hills Lake & Home Tour on June 20, with booth space currently open; an excellent opportunity to showcase your business to both residents and visitors.

Be sure to join us for an upcoming Lunch & Learn, where you can gain practical insights while connecting with fellow members in a relaxed setting.

As we move into the busy summer season, we encourage you to share your events with us so we can include them on our community calendar and help promote them throughout the region.

We're also currently collecting items for our welcome bags and Chamber lobby. If you have promotional materials or giveaways, we're accepting items in quantities of 50; an easy way to keep your business in front of visitors and new residents.

Finally, I encourage you to reach out and connect. If you'd like to meet, I'd love to hear what's new with your business or organization, talk through marketing ideas, or help you make the most of your Chamber benefits. We're here to support you.

Thank you for your continued involvement and investment in our Chamber. Your engagement is what keeps our momentum strong and our community thriving.

We look forward to seeing you soon.

Cindy
